Why does a mother (Nasrin Taskini) sell her son to her sister (Aghdas Taskini) and her sister husband (Faridoon Samavati)?

Why does a sister (Marita Bahari) and her husband (Hojat Asgharnia) sell her brother to her mother sister (Aghdas Taskini) and her husband (Faridoon Samavati)?

When you read the book, you would never be cheated by anybody (99% probability) as long as you are not a greedy, non-emotional, and real educated human.
