

Aghdas Taskini or Fridoon Samavati's wife

When the most Con-Artist Woman in the world who is going to become an American citizen. It is shame for American democracy, freedom, and justice to those who lost their fortune to her and her husband.

**Aghdas Taskini, his son (Farzad Saamvati), and my sister (Azita Bahari), and Nasrin Taskini.
Wife and husband died t the next day after this picture was taken.**

She and her family were so poor they could not rent a place to live and eat and were living in relative houses. When I saw them in south of Tehran for the first time in 1974 there were a lot of flies inside of their house. They had a miserable life.

After start cheating people in the business, writing bad checks, and etc. She has become financially successful with her husband help (Faridoon Samavati).

She paid bribe to the Tax and Title department of Rasht, Guilan, Iran in order to change title from his son Farzad Samavati who died in air plane crash to herself without going through inherence process.

When she came to the USA for first time and her son (Amir Reza) was born in 1978 and he can be an American citizen and he will get the green card for the rest of family in the future. Homa Yazdanpenah was pregnant and was working, cooking, and cleaning one bedroom apartment in Willow Greek apartment closed

to gulf gate mall in Houston. Aghdas and her dead husband (Faridoon Samavati) did not spend a penny. They are free loaders like the rest of Taskini and Samavati families.

On February 2014, Amir-Raza Samavati, Mohammad-Reza Samavati, Aghdas Taskini, Zarin Taskini (Sholeh Samavati's and Maryam Atef Yekta's mom) tried to break our house gate (Rasht, Guilan, Iran) in order to hurt me because of exposing their cheating and collaboration with the **Tax department of Rasht**. I did not open the house gate and jumped on the wall and call the police and they threw stoned and told me they will send my dead body back to the USA. They told me that I can ask our uncle about making you to be disappeared.

Zarin Taskini called first to be sure that nobody is at home before they attacked our house gate. When I told them they stole our father property with **Nasrin Taskini's** and her daughter (**Zarah Bahari**) and Zarah's husband (**Hojat Asgharnia**) help Twenty years ago and sold the property (**Pasargard Bank** now) illegally for 3.8 million dollars few years ago they got very mad and threw more stones.
